

# EVERYTHING- AS-A-SERVICE XAAS

## HOW BUSINESSES CAN THRIVE IN THE AGE OF CLIMATE CHANGE AND DIGITALIZATION

Sept 20, 2021 | 10:00am (GMT-4) | 4:00pm (CET)

<https://bit.ly/xaas-launch>

Registration via <https://xaas.eventbrite.com>

Agenda (see below)

Join our webinar (WCEF 2021 Side Event) to discover how XaaS can become the new foundation of industrial value creation – unleashing both environmental benefits and economic impact.

### **Keynote: Circular system change**

Prof. Dr. Martin R. Stuchtey, Co-Founder SYSTEMIQ | University Professor Innsbruck

### **Presentation of key insights of the report: XaaS – How businesses can thrive in the age of climate change and digitalization**

Dr. Manuel Braun, SYSTEMIQ

### **Digital panel and Q&A: How to accelerate the transition from linear business models to XaaS?**

Representatives from pioneering industry companies (e.g. TRUMPF, Hilti, BlueMovement by Bosch) | moderated by Sophie Herrmann, SYSTEMIQ
